Turnitin Setup Account

มหาวิทยาลัยมหิดล
หอสมุดและคลังความรู้

Access Turnitin only at the website www.turnitin.com

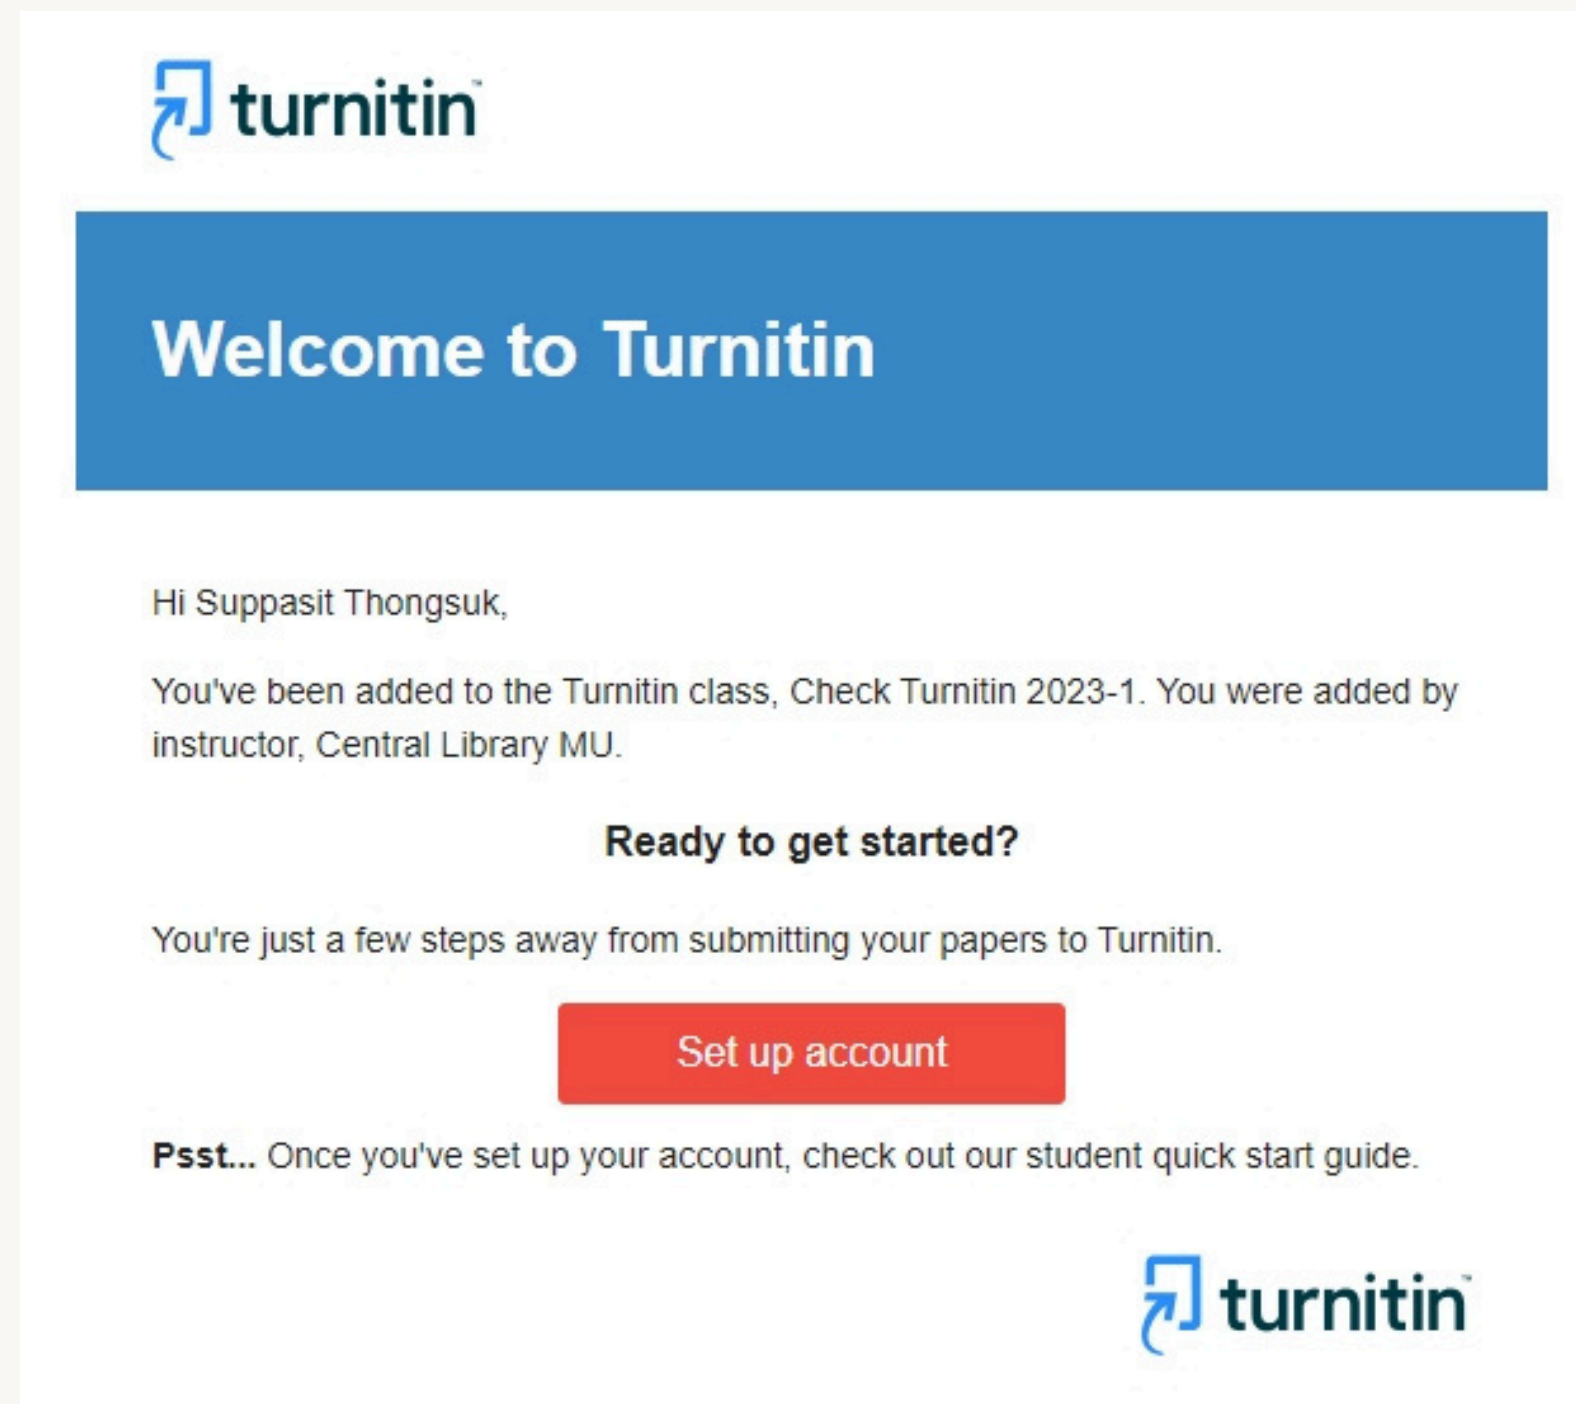

Students can join a **Turnitin class** in 2 ways :

- 1. Create Account from the Turnitin Welcome Mail after registering from the website **li.mahidol.ac.th**
- 2. Join a class using the Class Enrollment Key
(For students who want to use a class belonging to their advisor, they can request the key from the class owner/instructor)

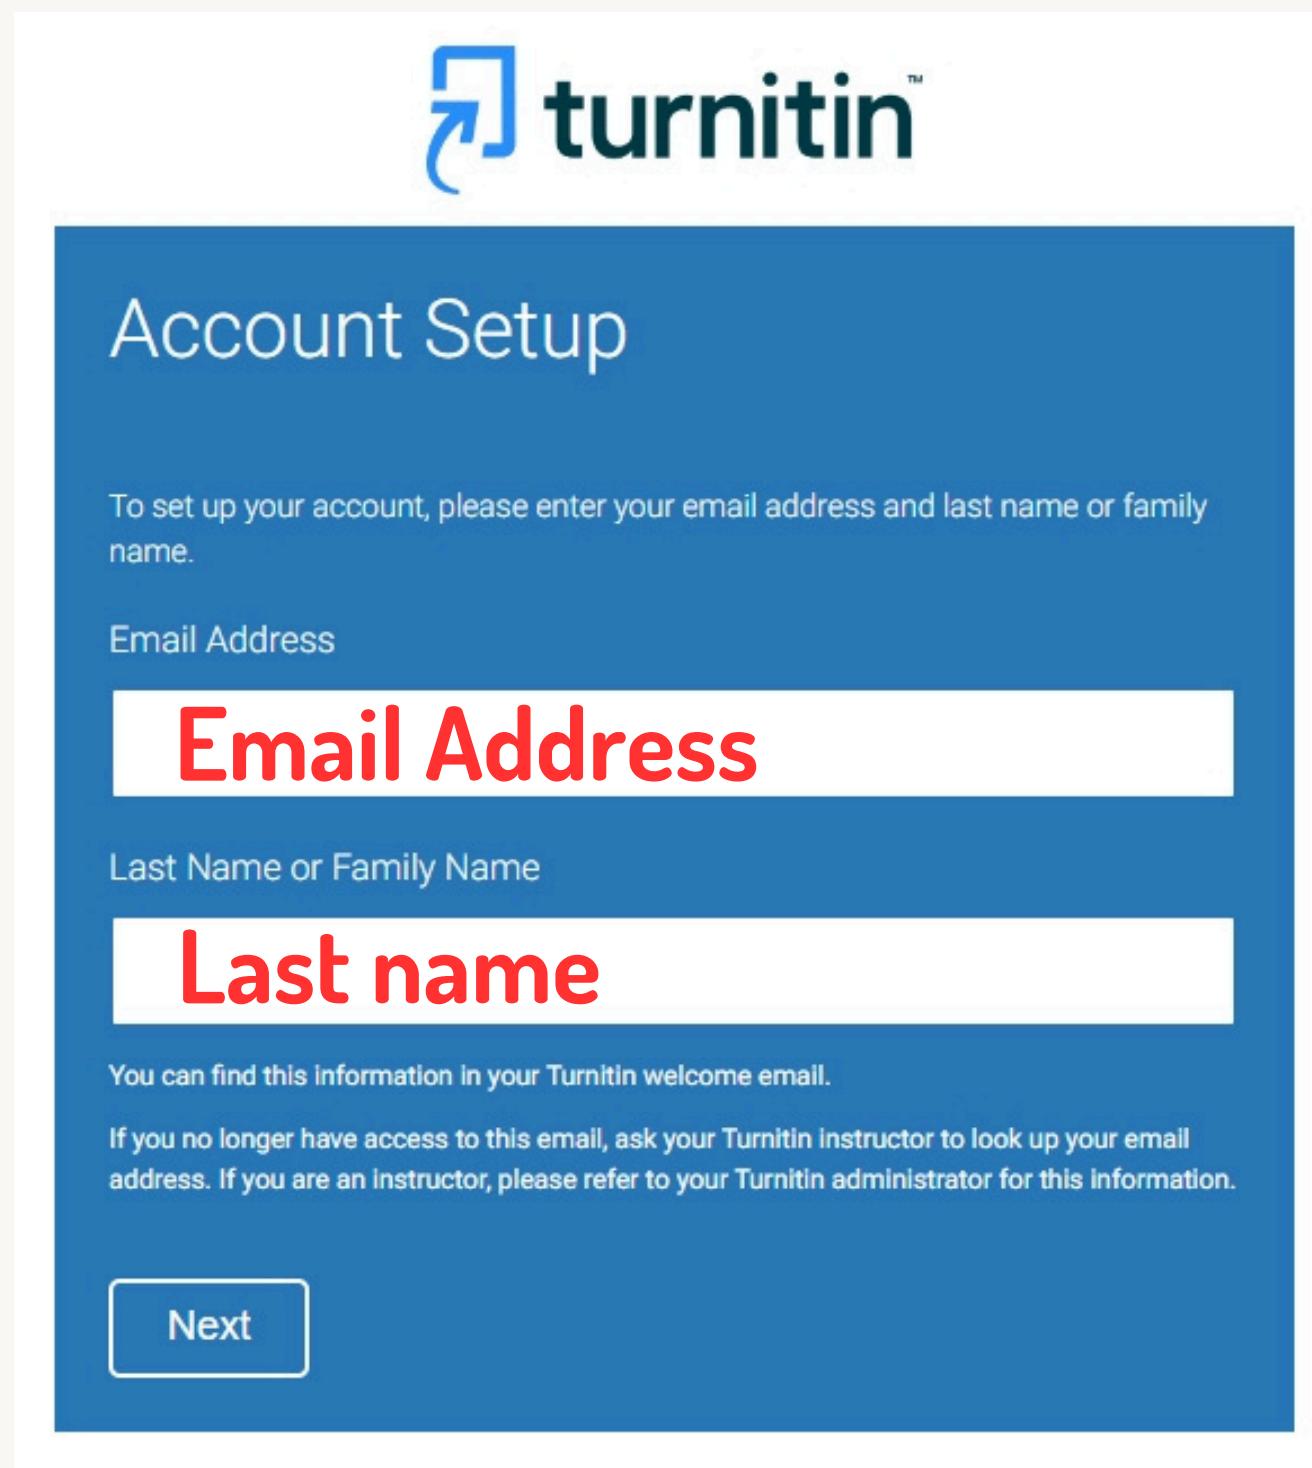

1. Create Account via Turnitin Welcome Mail

Within 1 business day after registering for access through the li.mahidol.ac.th website, you will receive an email titled **'Turnitin No Reply noreply@turnitin.com.'** Then click **'Set up account.'**

Fill your **Email Address** and **Last Name or Family Name** then click Next

The image shows a Turnitin Account Setup form. At the top is the Turnitin logo. Below it, the title "Account Setup" is displayed. The instructions state: "To set up your account, please enter your email address and last name or family name." There are two input fields: "Email Address" and "Last Name or Family Name". The first field contains the text "Email Address" in red, and the second field contains the text "Last name" in red. Below the fields, there is a note: "You can find this information in your Turnitin welcome email. If you no longer have access to this email, ask your Turnitin instructor to look up your email address. If you are an instructor, please refer to your Turnitin administrator for this information." At the bottom left is a "Next" button.

turnitin™

Account Setup

To set up your account, please enter your email address and last name or family name.

Email Address

Email Address

Last Name or Family Name

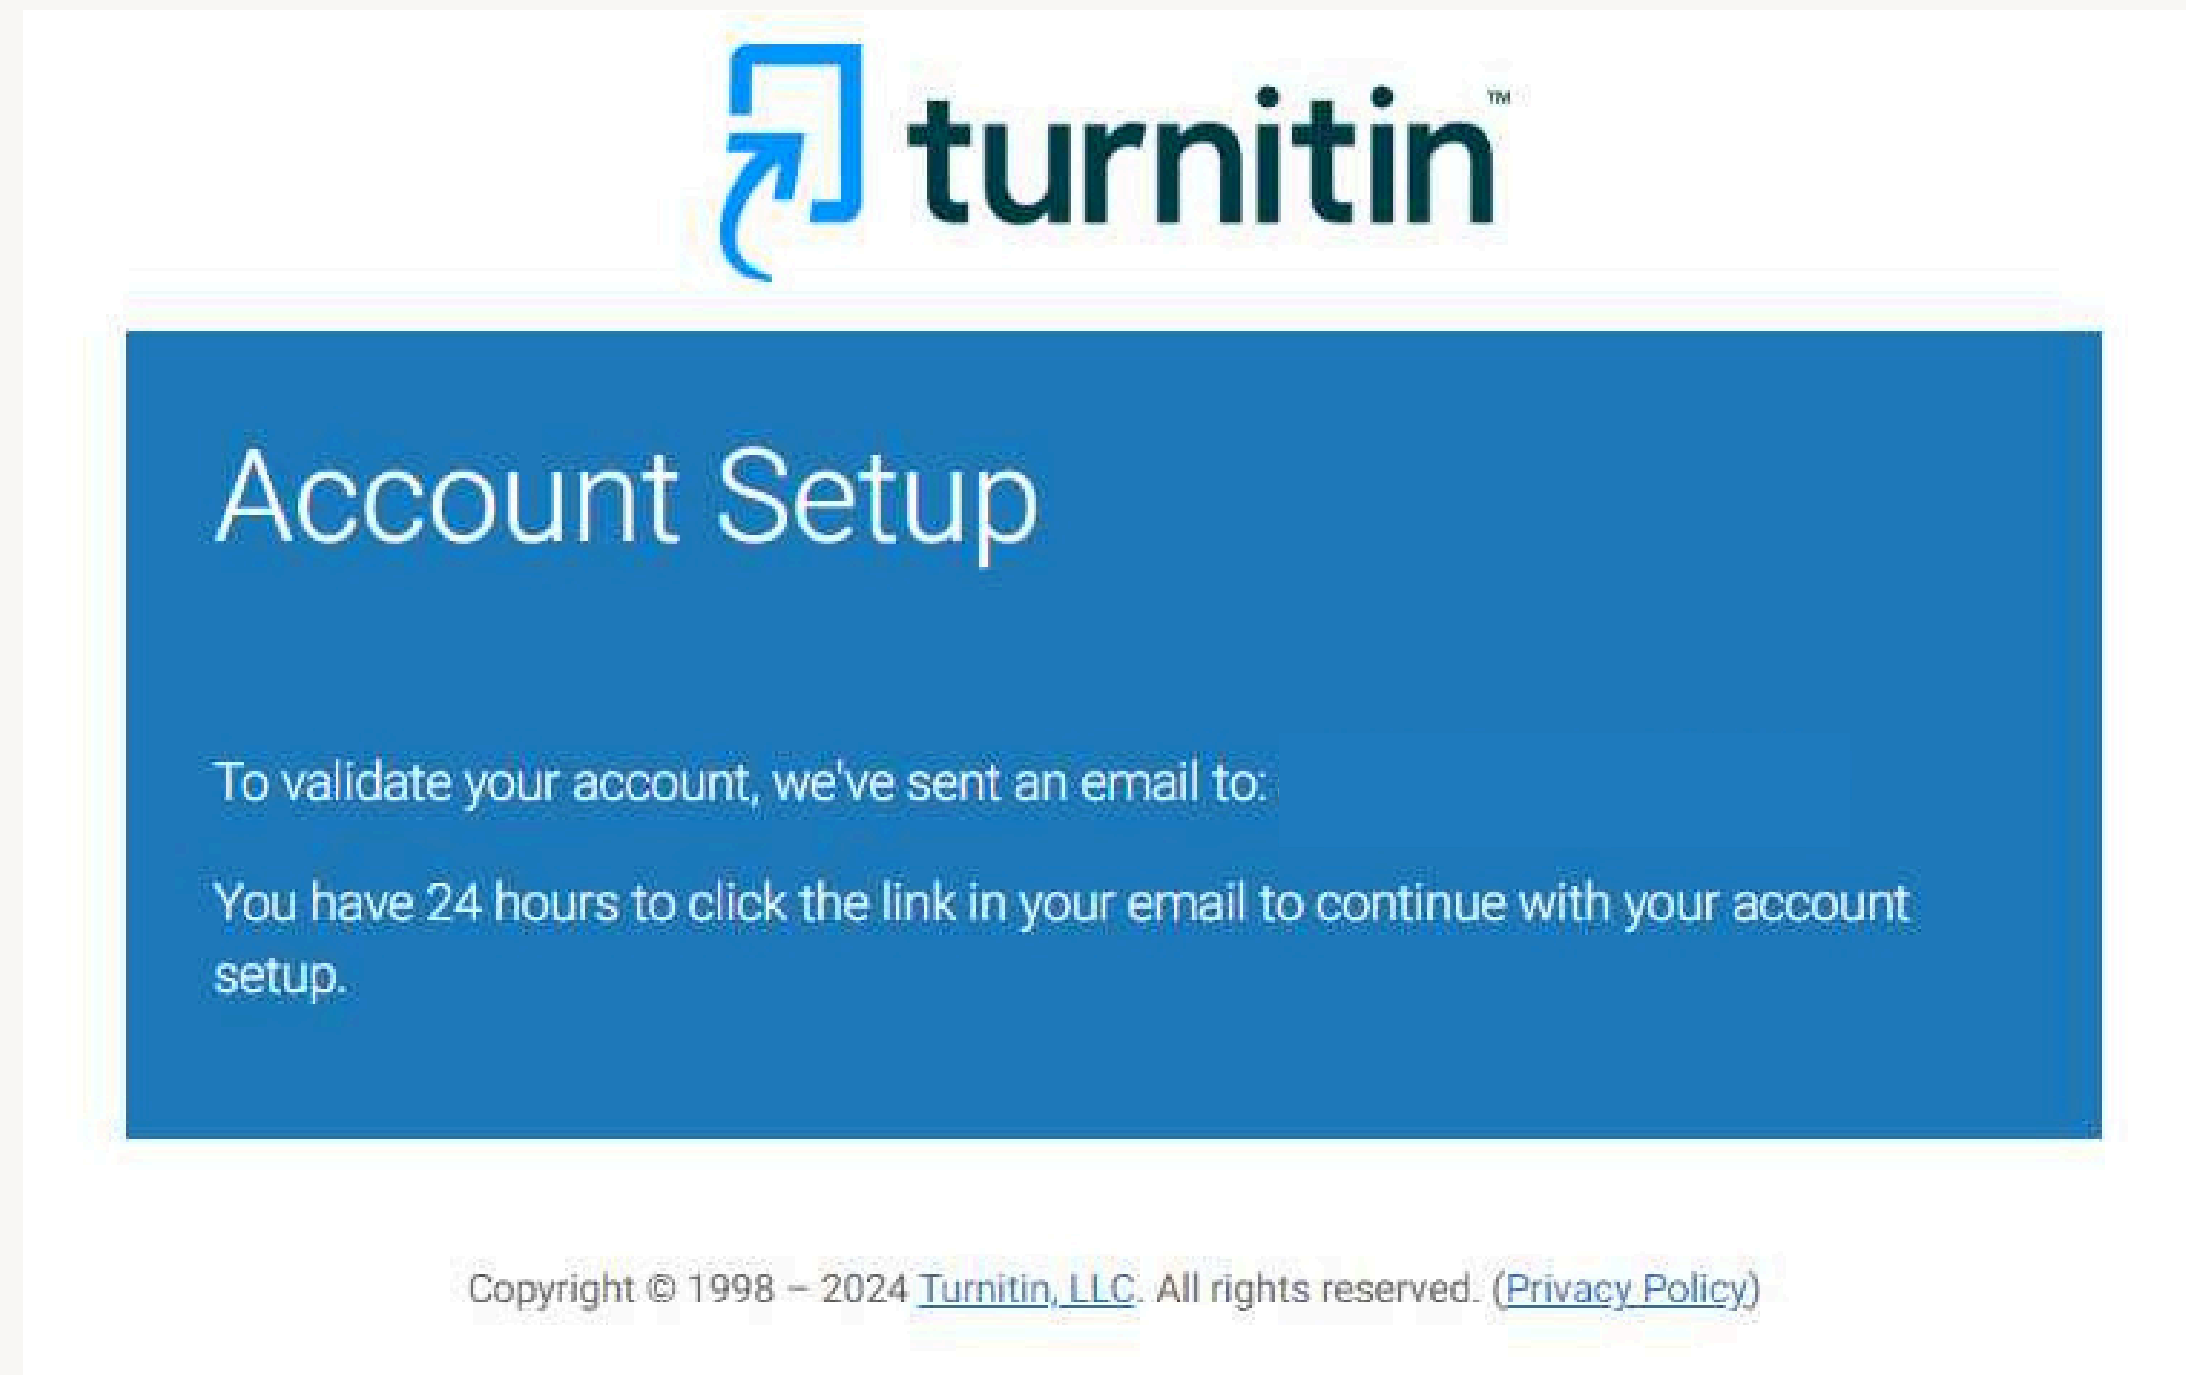

Last name

You can find this information in your Turnitin welcome email.

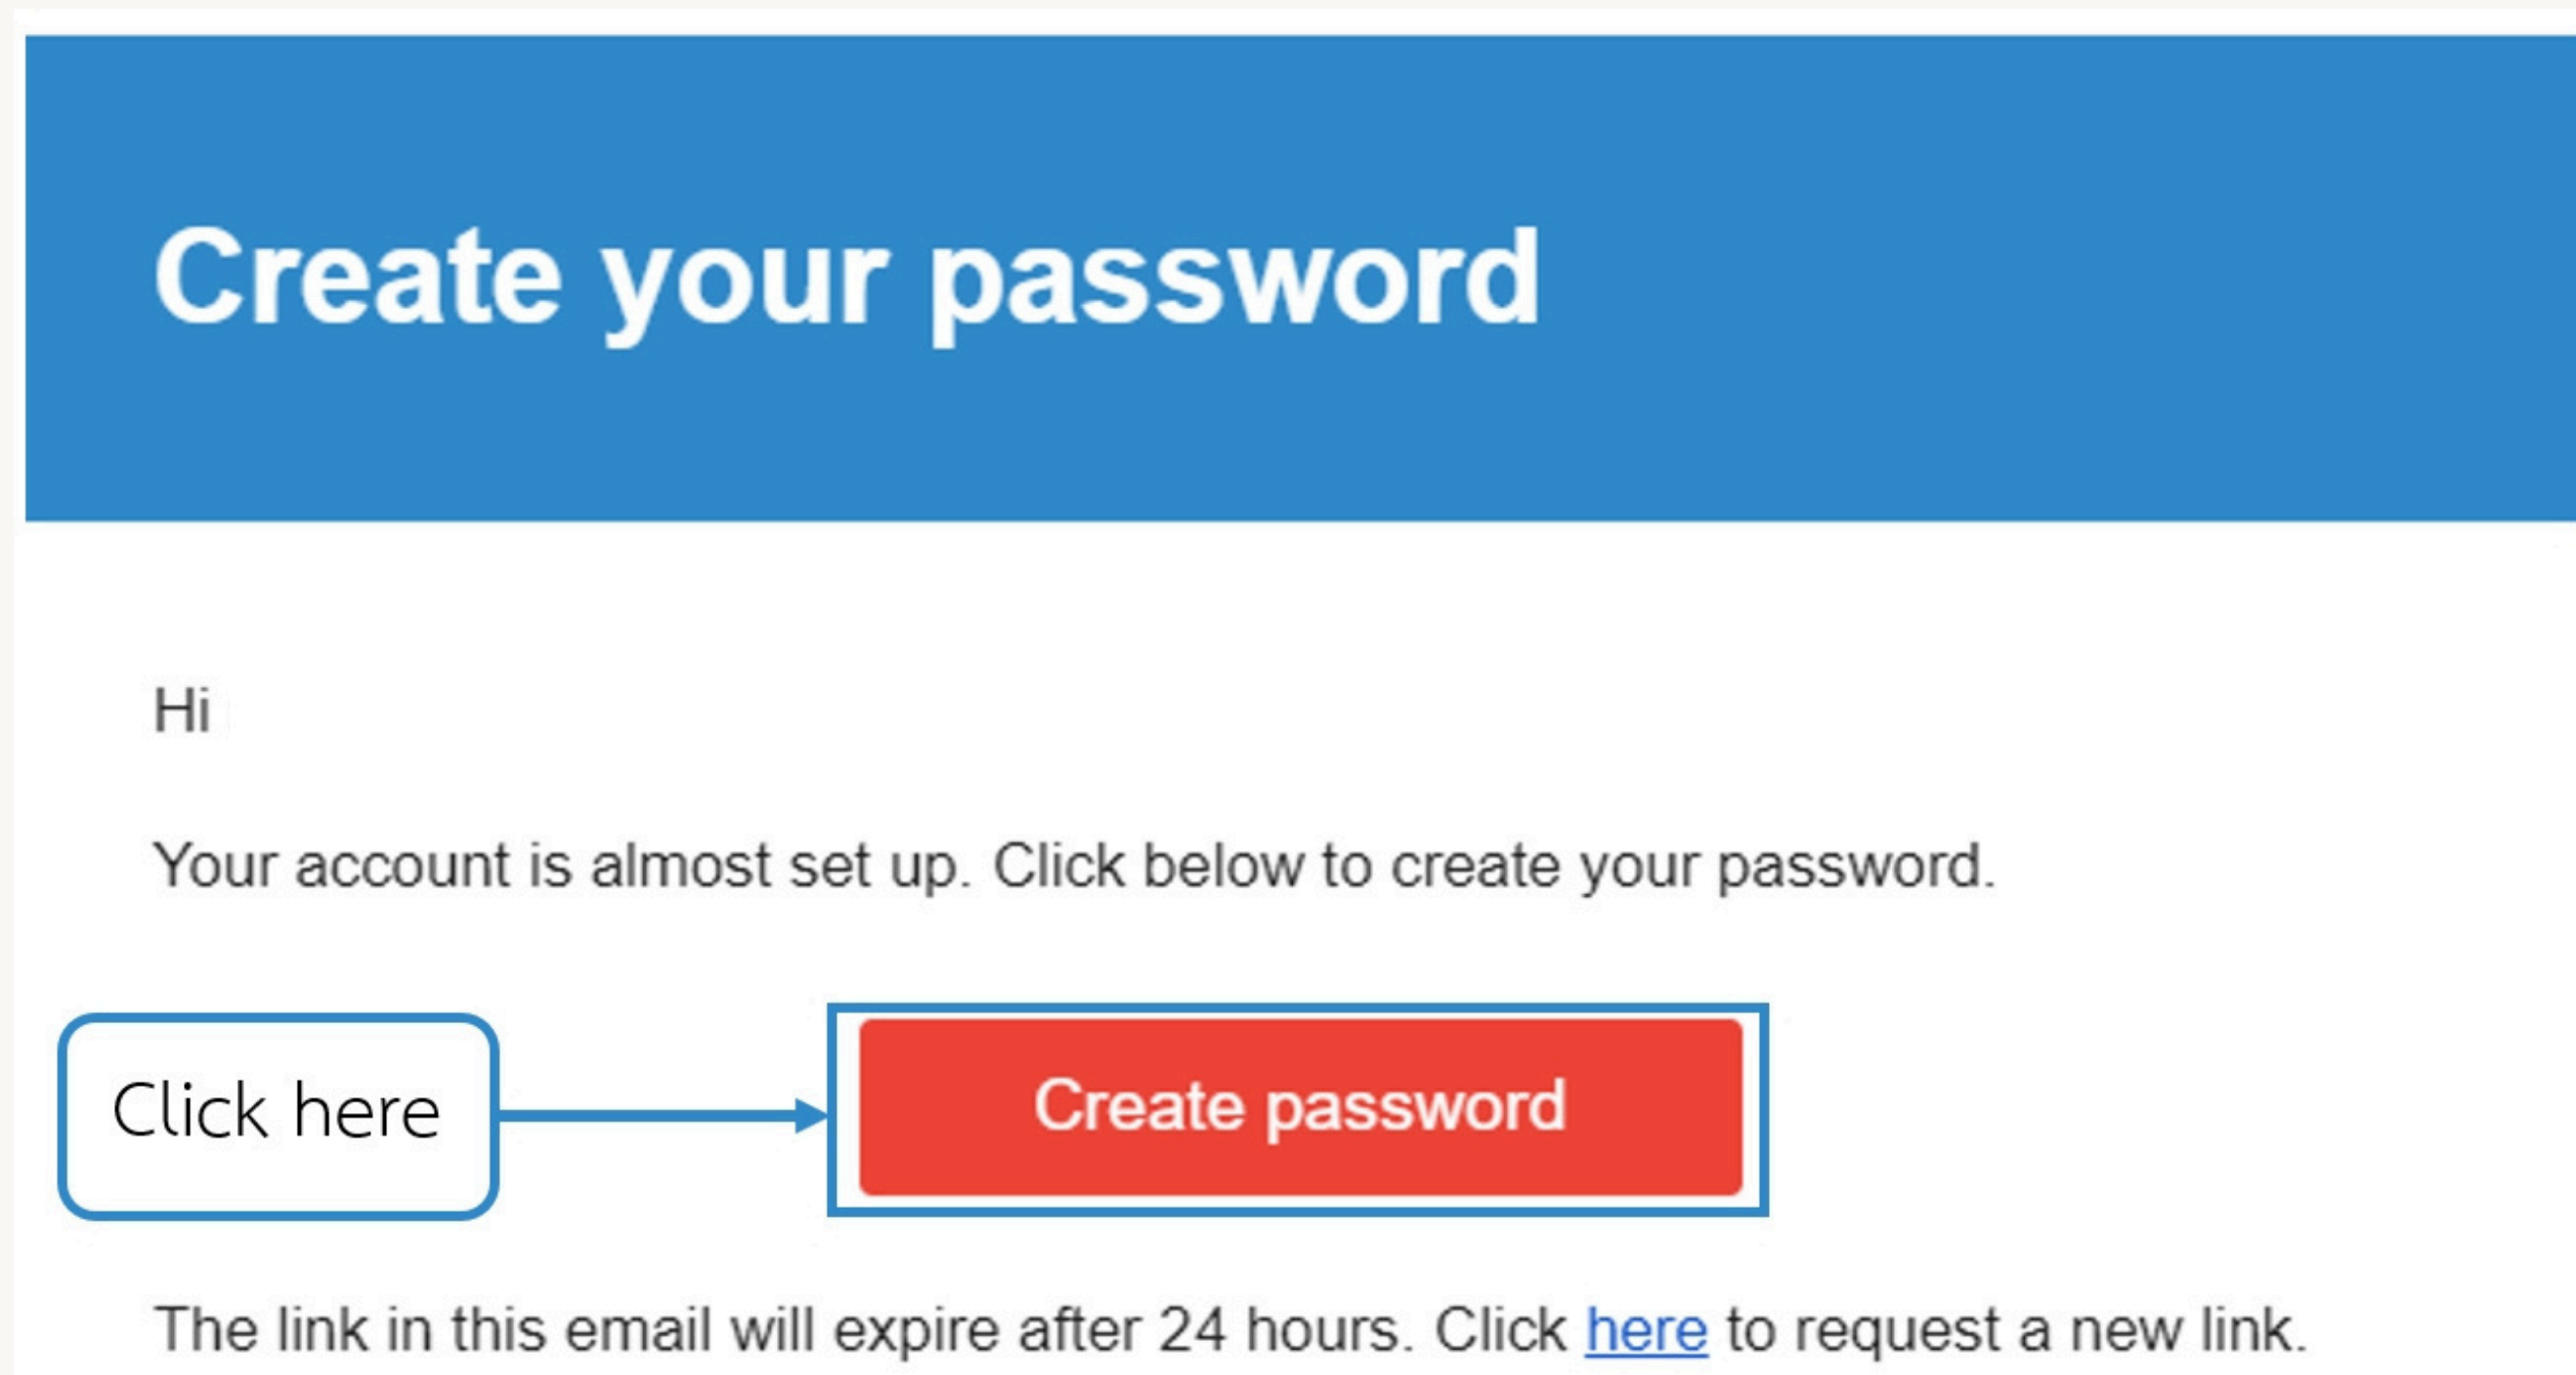

If you no longer have access to this email, ask your Turnitin instructor to look up your email address. If you are an instructor, please refer to your Turnitin administrator for this information.

Next

If the information is correctly entered, the screen will appear as shown. When you go back to your email inbox, you will receive an email for setting your password.

Open the email with the subject "**Create Your Turnitin Password**".
Click Create password

Create a password with the following requirements :

1. Your password must have a minimum of 12 characters.
2. Include at least one number.
3. Include upper and lower case letters.
4. Include at least one special character.

~!@#\$%^&*()-_+=[]{}\\:;'"<>.,?/

The image shows a Turnitin account creation interface. At the top is the Turnitin logo. Below it is a blue header with the text "Create Your Password". The main area is white and contains instructions for password creation. It lists four requirements: minimum 12 characters, include at least one number, include upper and lower case letters, and include at least one special character from a provided list. Below the instructions are two input fields: "Password" and "Confirm Password". At the bottom are two buttons: "Create Password" and "Cancel".

turnitin™

Create Your Password

Create a password for your account. Your password must:

- have a minimum of 12 characters
- include at least one number
- include upper and lower case letters
- include at least one special character (~!@#\$%^&*()-_+=[]{}\\:;'"<>.,?/)

Password

Confirm Password

Create Password [Cancel](#)

If the password meets all conditions, the system will display the screen as shown.

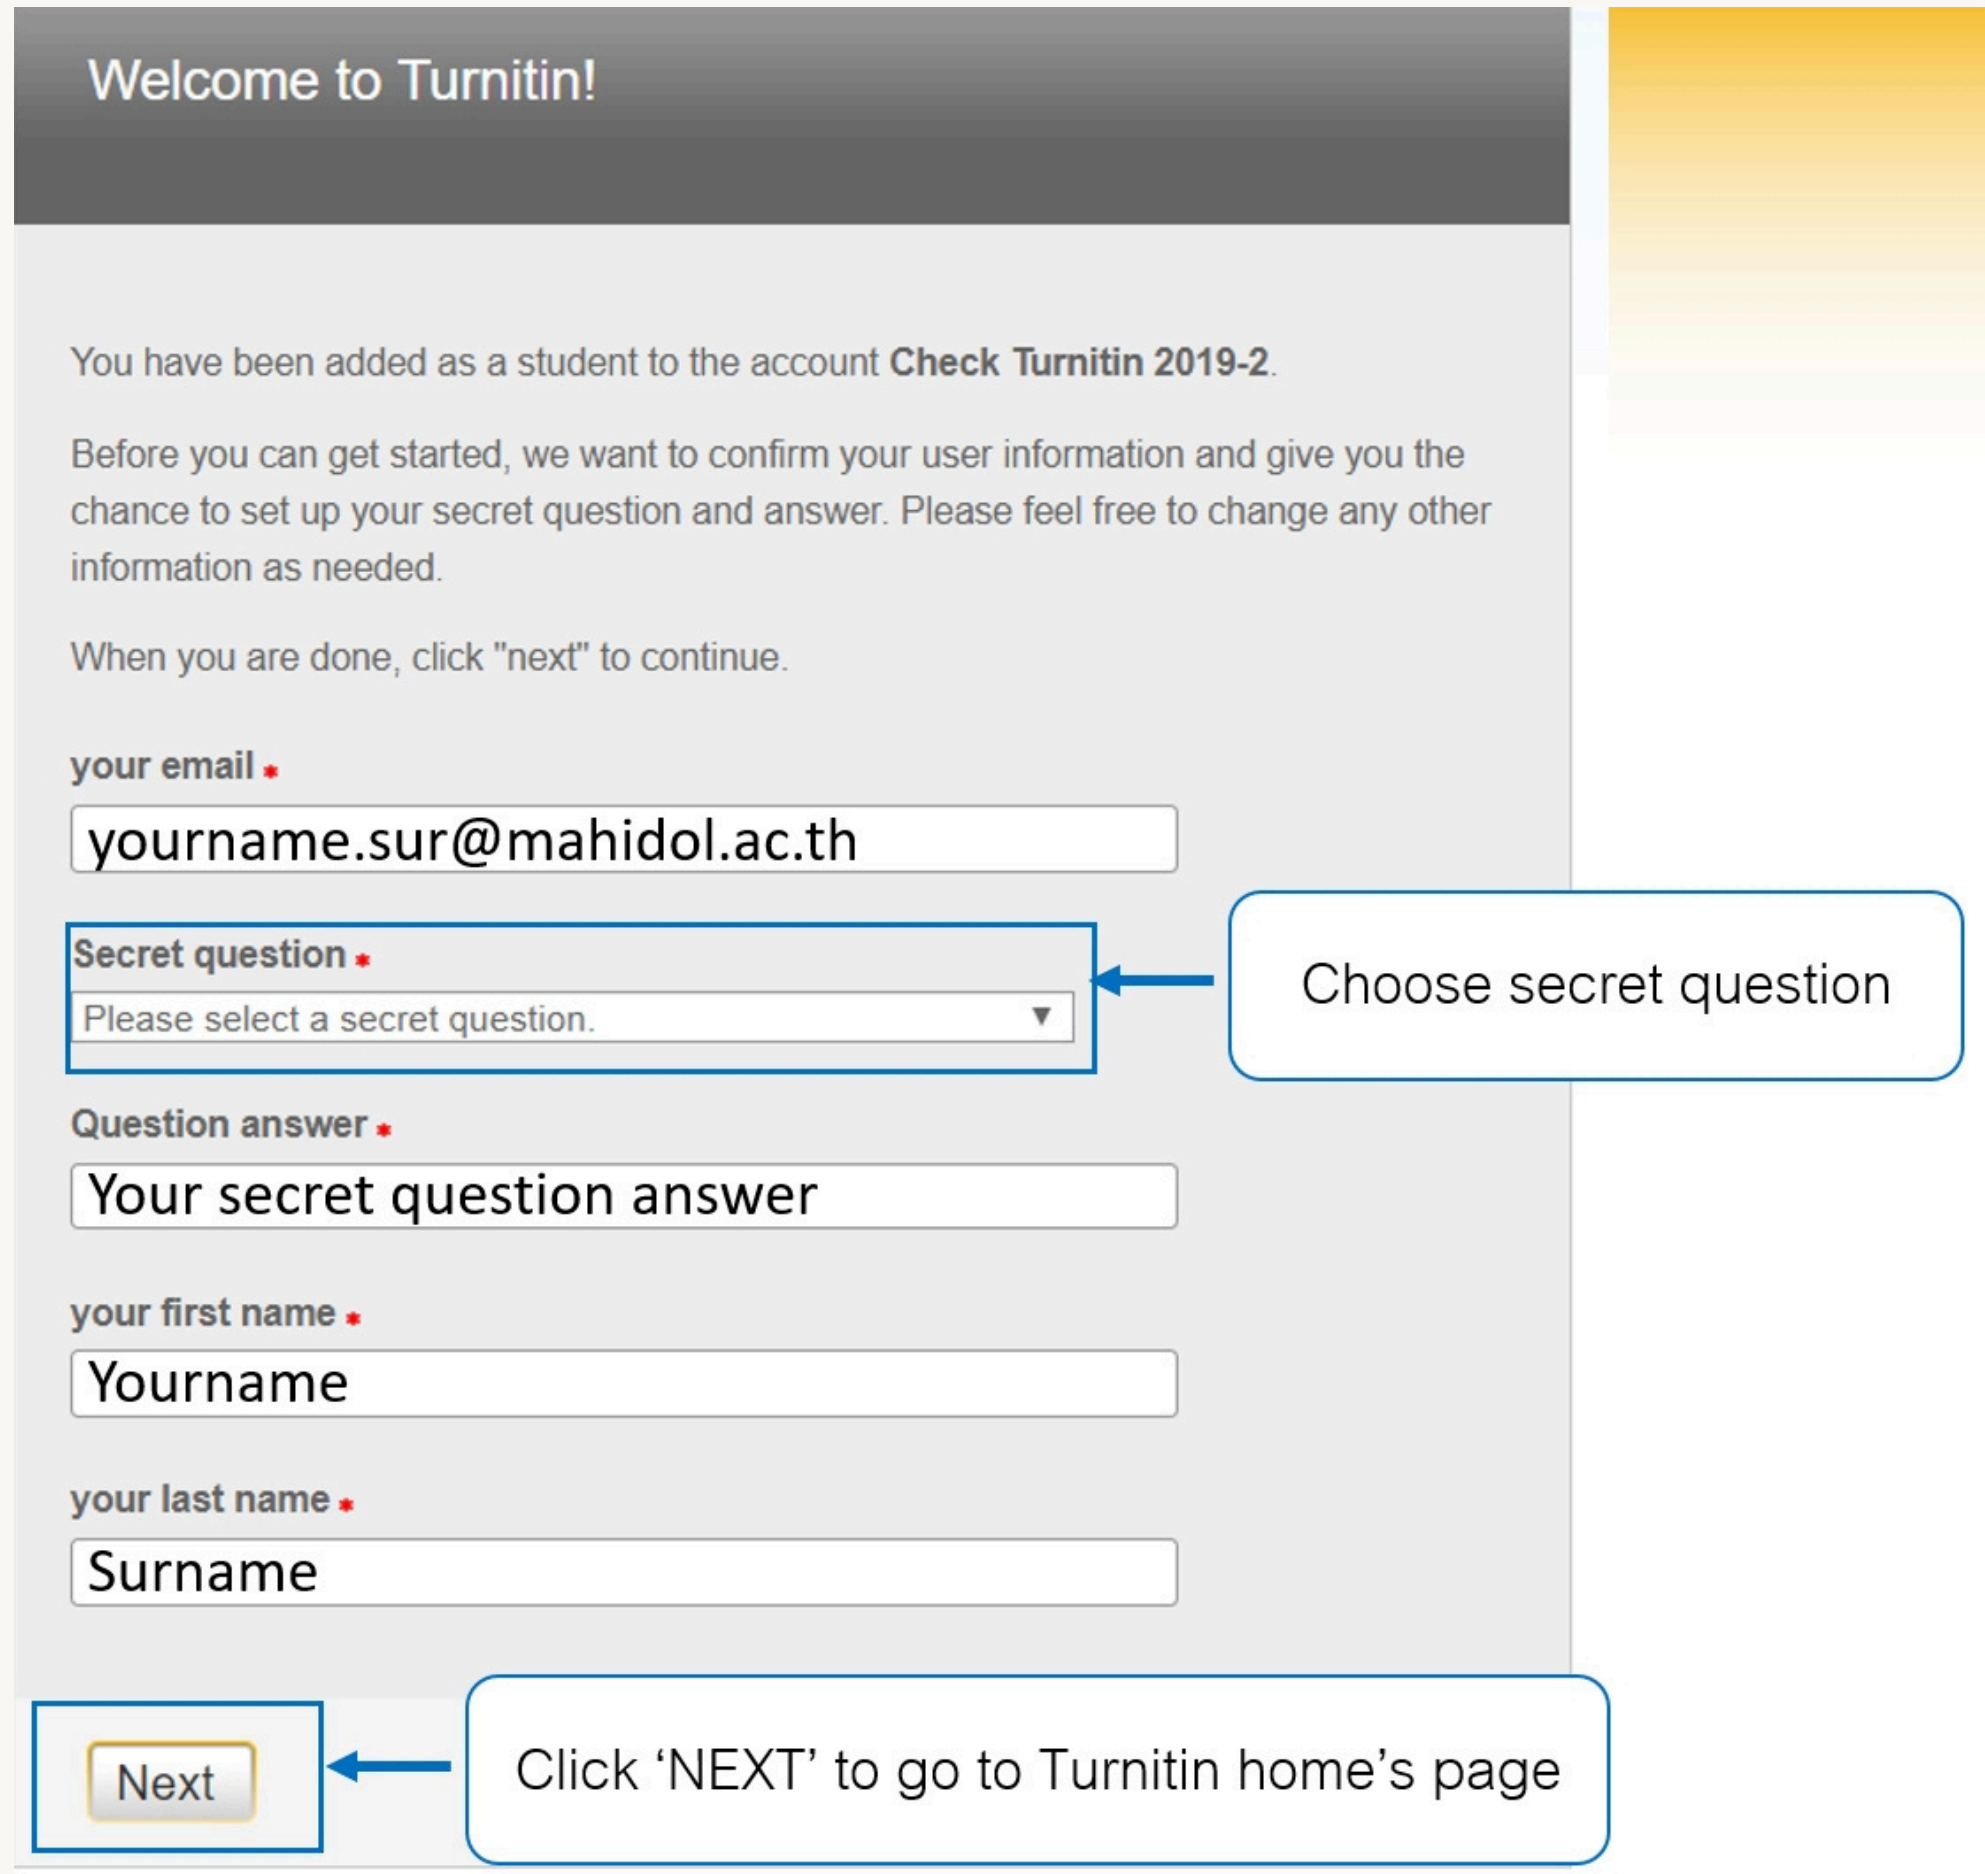

Account Setup Complete

You can now log in to your account using your email address and password.

Learn more about your next steps by checking out our [quick start guides](#).

Log in

For the first-time using Turnitin,
you must **set a secret question** in
the case of forgotten passwords.

Welcome to Turnitin!

You have been added as a student to the account **Check Turnitin 2019-2**.

Before you can get started, we want to confirm your user information and give you the chance to set up your secret question and answer. Please feel free to change any other information as needed.

When you are done, click "next" to continue.

physical health and balance in Thai urban elderly

3

Abstract

4

Objective: This study aimed to evaluate the effect of square stepping exercise plus braining

5

training program in elderly patients and provided information to assist clinicians in making

6

evidence-based decisions on the use of Thai-reed mats to enhance balance and prevent falls in

7

the elderly.

8

Materials and Methods: We compared a Thai-reed mat exercise program with general

9

balance exercise in a single-blind, randomized controlled trial at physical medical and

10

rehabilitation unit. A total of 60 elderly participants were randomly assigned to either the

11

intervention group, which completed a 12-week mat exercise program, or the control group,

12

which followed a 12-week general balance exercise program.

13

Results: The primary outcomes were changes in the physical performance test and the number

14

of fallers. The intervention group demonstrated a mean increase of 7.81 repetitions in the 30-

15

second chair stand test. (95% confidence interval [CI]: 5.82–9.19), compared to a 2.3 repetition

16

increase in the control group (95% CI: 2.04–5.68). The mat exercise program demonstrated a

17

significant advantage over balance exercise showed a mean difference of the change of TUG:

18

The intervention group participants improved gait speed

19

test (10MWT), by an average of 0.83 m/sec (95% CI: 0.61–
