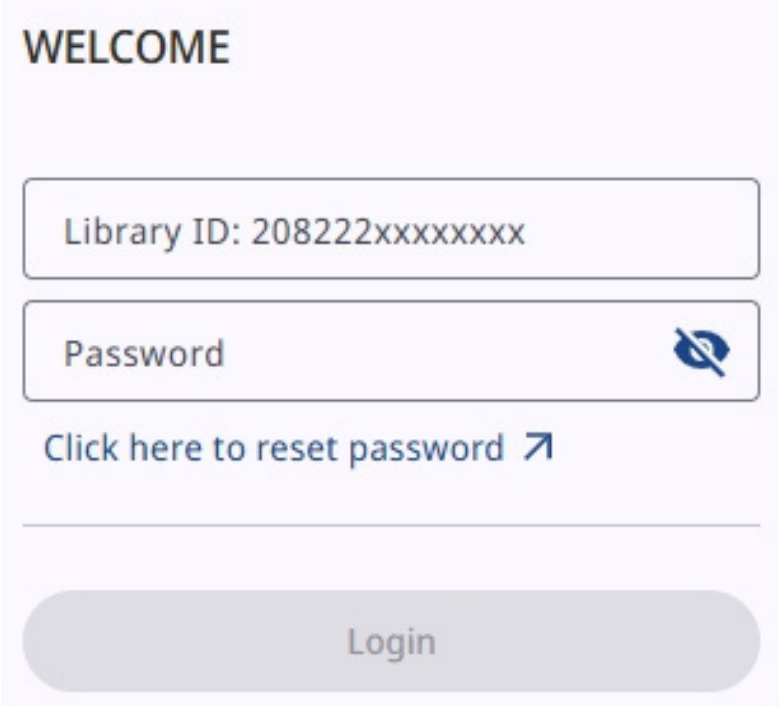
Log In to the Mahidol Library System

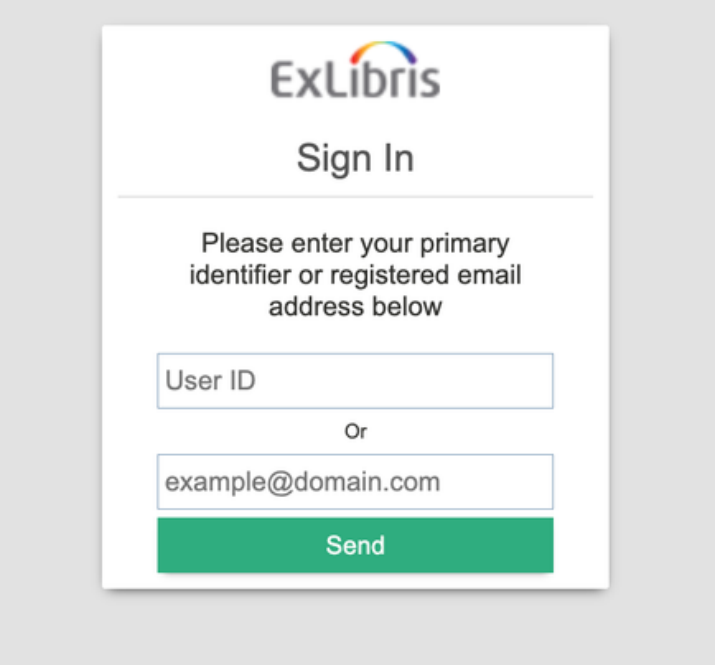
1. Access the Mahidol Library Search page (https://mahidol.primo.exlibrisgroup.com/nde/home?vid=66MU_INST:MU&lang=en) and click the Sign in button located at the top right corner to log into the Primo library system.

2. **Library ID:** Enter your student ID barcode or the Library ID found in We Mahidol Application.
   Password: Use the default password "mahidollibrary" and click Login.



Log In to the Mahidol Library System

3. If you want to set a personal password or have forgotten your current one:
- Click on "Click here to reset password".
- Enter either your User ID (student barcode/Library ID) or your registered email address.
- Click "Send".



<u>Note:</u> The reset link will only be sent to the email address currently registered in the library system

4. Check your mail box for a password reset email.
- Open the email and click the "click here" link to follow the instructions and set your new password.
